

Professor Dr. Mitrofan Choban (5.01.1942-2.02.2021)

The Mathematical Society of South Eastern Europe expresses its deepest regret for the loss of the Prof. Mitrofan Choban. Professor Choban was the president of the Mathematical Society of the Republic of Moldova, rector of the University of Tiraspol and member of the Acedemy of Sciences of the Republic of Moldova. He was a distinguished researcher, with important contributions to topology, functional anaysis and other mathematical fields.

We will never forget him.
