**Subject: Invitation for submitting manuscripts to the
Mediterranean Journal for Research in Mathematics Education**

ISSN 1450-1104

The Cyprus Mathematical Society in its aim to play an important role in the advancement and development of Mathematics Education in the Mediterranean Region and beyond is editing since 2002 the publication of the scientific journal titled “Mediterranean Journal for Research in Mathematics Education”.

This Journal is the result of the two successful Mediterranean Conferences on Mathematics Education that took place in 1997 and 2000 in Cyprus. Through these Conferences a large community of academics was formed and became the back-bone for the international establishment of the periodic series of the “Mediterranean Journal for Research in Mathematics Education”, which enjoys important citations and is considered today a credible scientific refereed journal.

The Journal is been published in one volume per year in either one or two issues. Prof. Gregoris A. Makrides, President of the Cyprus Mathematical Society, succeeded since 2017 prof. Athanasios Gagatsis in the editorial management of this journal. A new Open Paper Review Evaluation procedure is established starting with 2018 editions. The International Critics Body (Editorial Board) of the Journal includes important academics from Cyprus, Belgium, Greece, Bulgaria, France, United Kingdom, Germany, Czech Republic, Canada, Italy and Israel. The Editorial Board is dynamic and occasionally invited guest evaluators.

We are currently looking for new authors to submit research manuscripts to our Journal. There is no fee for submitting your papers. The Journal’s ISSN is “1450-1104 Cyprus Mathematical Society”. For more information you can visit the Mediterranean Journal official website, www.cymsjournal.com.

If you are interested in submitting a paper click [HERE](#) for more information.

If you are interested to subscribe to the Journal click [HERE](#) for more information.

Looking forward in receiving your manuscripts.

Sincerely,

Professor Gregoris A. Makrides
President, Cyprus Mathematical Society
Journal Editorial Manager
