Skopje, February 1, 2017

Dear Colleagues,

We are pleased to inform you that the 34th Balkan Mathematical Olympiad (BMO 2017), organized by the Union of Mathematicians of Macedonia (UMM) under the auspices of the Macedonian Ministry for Education and Science. BMO 2017 will be held in the city of Ohrid, FYR of Macedonia from May 2 (arrival day) until May 7, 2017 (departure day). The contest will take place on May 4, 2017.

On behalf of the Union of Mathematicians of Macedonia (UMM) and the BMO 2017 Organizing Committee, we have the distinct pleasure to invite your country to participate in BMO 2017 by sending an official team of at most six students, a team leader and a deputy team leader.

The students must have been born after May 4, 1997 and, at the time of BMO 2017, have not been enrolled at any university or an equivalent post-secondary institution in your country or abroad.

All the necessary expenses only for the official team, contestants, deputy leader and leader, (including meals and accommodation) during the official program will be covered by BMO 2017 Organizing Committee. The cost of travel to Ohrid and back to your country, obligatory insurance coverage for the entire delegation and all costs outside of the official program of BMO 2017 will be your country's responsibility.

We invite you to send us your problem proposals. Minimum number of problem proposals that every country has to send to the host country is 3. The deadline for the problem proposals is April 15th, 2017. Problems should be sent by e-mail to the following address: bmo.smm.2017@gmail.com. In the next announcement we will send you a template document in which you should write your problem proposals.

With the sincere hope that your country will be able to participate on this great mathematical event of the 34 Balkan Mathematical Olympiad we will be looking forward to welcoming your delegation in Ohrid.

In the next announcement you will have all the necessary information. For any inquiries concerning BMO 2017 please write an e-mail to bmo.smm.2017@gmail.com or mobile phone + 389 70 338 736 to the attention of Slagjana Brsakoska.

Yours sincerely,

Professor. Dr. Aleksa Malceski
President of the Union of Mathematicians of Macedonia

Professor Dr. Slagjana Brsakoska
Chair of the Organizing Committee
