5 January 2021

Dear colleagues,

The Mathematical Society of South-Eastern Europe is organizing the 15<sup>th</sup> Mathematical Olympiad for first and second year University students, SEEMOUS 2021. This well established University student competition will be hosted by the Cyprus Mathematical Society **between 10 - 15 May 2021 in Agros, Cyprus**. Arrivals can be made to the Larnaca or Paphos International Airports. More details for team registrations and fees will be announced soon in the site [www.cms.org.cy](http://www.cms.org.cy).

We kindly invite you to express your interest to participate in SEEMOUS 2021 with a team from your University. The aim of this competition is to challenge and encourage mathematically gifted University students for further development in Mathematics, to help them communicate and cooperate with other students and possibly future colleagues as Mathematicians, to create a friendly relationship and cooperation between our mathematical societies and University Mathematics departments.

**Regulations:** A team may consist of up to 6 students and 2 professors (a team leader and a deputy team leader). Eligible students are those who are not beyond the second university year of undergraduate studies by the end of the 2020/2021 academic year or have not completed more than 120 ETCS credits until 31 May, 2021. Students may participate as a University Team or a National Team or both.

Please express your interest **by 31 January 2021** to participate in SEEMOUS 2021, by sending an email at [info@cms.org.cy](mailto:info@cms.org.cy), with the following information:

**University name:**

**Country:**

**Name of the contact person:**

**E-mail of the contact person:**

**Tel. with country code:**

More information and an invitation to SEEMOUS 2021 will be sent to you at a later stage.

We hope that you will be able to participate in the SEEMOUS 2021 Olympiad and we look forward to welcoming you and your delegation in Cyprus.
