

FIRST ANNOUNCEMENT AND INVITATION
to the 42nd Balkan Mathematical Olympiad –BMO 2025
April 25 – 30, 2025

Organizers

Mathematical Society of Sarajevo Kanton

Ministry of Education of Sarajevo Kanton

Mathematical Society of South-Eastern Europe (MASSEE)

January 14, 2025

Dear colleagues, members, and non-members of MASSEE,

We are delighted to announce the 42nd Balkan Mathematical Olympiad-BMO 2025, a significant event organized by the Mathematical Society of Sarajevo Canton and the Ministry of Education of Sarajevo Canton, under the auspices of the Mathematical Society of South-Eastern Europe (MASSEE). This prestigious competition, which will be held in Sarajevo, Bosnia and Herzegovina, **from April 25 to April 30, 2025**, is a testament to the academic excellence and dedication of our participants. The Host Organizer of the Olympiad is the Mathematical Society of Sarajevo Canton, and the contest will take place on **Sunday, April 27**.

The 42nd Balkan Mathematical Olympiad is a platform that welcomes the mathematical prowess of all. The official team of a country participating in the competition consists of no more than six Contestants, the Leader, and the Deputy Leader, jointly called Participants, and up to two Observers. According to the Regulations, all Contestants must be high school students attending high school, but not exceeding the age of 20. Under the same regulations, guest countries are also invited upon “no objection” approval from MASSEE, ensuring that the spirit of mathematics transcends borders.

Problem proposals: Each country except the host country can send up to five (5) problem proposals by March 27, 2025, at the latest. Problem proposals must be written in English. Problem submissions in LaTeX are encouraged, but using MS Word documents (doc or docx) with Times New Roman font formulas in Equation or Math Type 6+ is also acceptable. Each participating country should communicate one email devoted to the problem selection communications, sent to the chair of the host (bmo2025problems@pmf.unsa.ba) and cc to the General Secretary of MASSEE (info@massee-org.eu).

Participation fee information: The participation fee for non-member countries is 600 euros per student (students in double and triple rooms) and 700 euros for leaders, deputy leaders, observers, or accompanying persons sharing a double and triple room for the official period (arrivals April 25, departures April 30, 2025). A limited number of single rooms for leaders, deputy leaders, and observers are available for an extra 200 euros charge.

Please follow the link below and submit the form to express interest in participating in the BMO 2025.

For all inquiries, please use the email address bmo2025@pmf.unsa.ba

The website for BMO2025 can be found at <https://bmo2025.pmf.unsa.ba/>, and it will be updated regularly.

On behalf of the Mathematical Society of Sarajevo Canton and the BMO 2025 Organizing Committee, we invite your country to participate in BMO 2025.

Prof. Dr. Esmir Pilav

President of the Mathematical Society of Sarajevo Canton

Prof. Dr. Senada Kalabušić

Organizing Committee Chair

Preliminary Programme:

April 25 - Arrival day and Jury meeting

April 26 - Opening Ceremony and Jury meeting for problem selection

April 27- Competition

April 28- Coordination (all day). Free day for students.

April 29- Excursion to Mostar and Closing Ceremony

April 30- Departures
